

STEPHENS

Catering Equipment

Stephens Catering Equipment want to assist the hospitality industry in getting back to business, so we have put together the below offer:

For existing customers, our engineers will attend site for a maximum of 2 hours to check appliances are working. This will be FOC, any parts will be chargeable.

For non-existing customers, we are offering a half price call out charge, time on site and parts will be chargeable.

To avail of this service, contact our service department on 02825861711 option 1, email service@stephens-catering.com
