Free Risk Assessments for NIHF Members

Do you need help managing
business risk?

As new trade members of the NIHF, Willis Insurance & Risk Management are offering free risk assessments to five hotel, accommodation or trade members.

Our expert Risk Management team can provide a risk assessment which can include business risk management, health & safety assessments and business continuity. The risk assessment will take approximately half a day to conduct and you will be provided with a digital report detailing our findings and recommendations to meet legal compliance if required. The assessment will be carried out by a chartered Health and Safety practitioner.

We advise early registration to avoid disappointment. To express interest please contact Joe Hanna on jhanna@willisinsurance.co.uk
