Recommended Hand Sanitiser Foam

Delphis Eco – Hand Sanitiser Foam

This anti-microbial and alcohol free Hand Sanitising Foam has been specially formulated to provide safe, accessible hygiene where infection through cross contamination is a problem.

It can be used to sanitise hands prior to or following contact with patients, surfaces, animals, food, children etc. It cleans and kills germs to prevent infection, without the need for drying on a towel.

Price: £20.00 ex delivery (VAT Exempt)
